President Donald J. Trump  
The White House  
1600 Pennsylvania Avenue NW  
Washington, DC 20500

Dear Mr. President:

It is an honor to welcome the first sitting President of the United States as a member of the Iowa Corn Growers Association (ICGA). We hope you are proud to belong to our team standing up for the corn industry. Please use ICGA as a resource for information on key issues, such as ethanol, and take advantage of the many benefits that come with being an ICGA member.

We appreciate the time you took to come to Iowa to see the horrific damage done to our farmers by the derecho storm that hit our state this summer. Corn is a vital part of America's food and fuel security and the COVID-19 pandemic only highlighted how essential America's farmers are to the strength of the United States.

Thank you once again for being the first ever sitting President of the United States to join and support Iowa's corn farmers and for that matter all corn farmers throughout the nation by becoming an ICGA member.

Should you have any questions or comments, please do not hesitate to reach out to Iowa Corn at (515) 225-9242 or email [corninfo@iowacorn.org](mailto:corninfo@iowacorn.org).
